

App. No. 10/707,473  
Resubmission (amendment corrected section) dated May 15, 2006  
Reply to Notice of Non-Compliant Amendment of April 13, 2006

### REMARKS

Due to a mechanical error in the fax machine on Applicant's representative's end, page 8 of Applicant's reply filed together with an RCE on April 2, 2006 via facsimile did not get transmitted.

In issuing its Notice of Non-Compliant Amendment requiring submission of the corrected section alone, the Office clearly recognized that the page was unintentionally missing, and that Applicant's transmission was a bona fide attempt to submit a fully complying reply.

It is believed that the foregoing listing of the claims, which is identical with the listing of claims in Applicant's amendment of April 2, 2006, except that the content of the missing page is included, now renders fully complying Applicant's RCE-accompanying submission of April 2, 2006.

Favorable action by the Examiner at an early date is solicited.

Respectfully submitted,

May 15, 2006
